# Stranger Things Inspired Tutorial

## Terms of Use & Support

All of the assets are 100% free to use. However, you may not distribute or sell the free assets in any way without prior authorization from RocketStock.

With highly technical products such as After Effects assets, we receive a large volume of support requests that require detailed responses. This means that unlike our paid products, **we currently do not offer technical support with RocketStock assets.**

Vine texture provided by [Bigstock](#).

Stranger Things is copyrighted by Netflix. We are not affiliated or associated with the production or distribution.
