# Getting Started

## Download and Open

After downloading, find the Fast Flip .zip file and unzip it. Next, find the FastFlip\_LogoReveal.aep file and open it in After Effects or double click.

## Modifying Images and Text

Once inside the project you can customize the images and text by opening the various folders in the project bin.

00 Assets: Store all of your assets (images/videos)

01 Modify Logo: Open the “Logo” comp to add your own logo

02 Modify Images/Video: Open these comps to add your images/video.

03 Modify Text: Customize your text here.

04 Scene Options: Customize colors, overlays, etc.

05 Render Zone: Comps for 1080 or 720 renders.

## Terms of Use & Support

All of the freebies are 100% free to use. However, you may not distribute or sell the templates in any way without prior authorization from RocketStock.

With highly technical products such as After Effects templates, we receive a large volume of support requests that require detailed responses. This means that unlike our paid products, **we currently do not offer technical support with RocketStock freebies.**
